

TECHNIFAST

*A Leading Supplier & Manufacturer of
Precision Engineered Components*

August 2023

To Whom It May Concern

Russian Iron & Steel Product Sanctions

Technifast can confirm that we do not use any raw material originating from Russia.

Our delivery/advice notes clearly state the country of origin of products supplied and we are able to add to paperwork that 'goods comply to Regulation 833/2014' if required.

If material certificates are required for every delivery, this would need to be requested at the time of enquiry and quoted accordingly.

Yours Faithfully
